STORM NEWS

We've all had it by now with weather updates on the "Blizzard of 78", so our "storm center" decided to give you the real storm news...the story behind the story. What follows is the adventures of some of our members faced with a very "flakey" situation:

Kenny Bauman got stuck at the Boston Globe and read every paper for the last 100 years from cover to cover!!

Elliott Zukowski spent four days stranded in Framingham at a friends house

That's it folks - hope you enjoyed the column. Please let me know what's happening with you, and your friends who were so much a part of the good old days. Call or write me and share the good news. Ellen (Halzel) Sherman, 115 Curtis Ave. Stoughton, Mass. 02072 -- 344-8433
