#### **OUR APOLOGIES TO:**

Ronna (Mizrahi) Greenberg of Brockton for incorrectly listing the condolence as her mother instead of her father in the April issue.

Sheila (Markowitz) Nierman of Canton for incorrectly listing her maiden name in the April issue.

To our members who were contacted by our Telephone Squad or who mailed in Happenings Post Cards for this issue. We had to in some manner edit almost all the information received. This was not done to demean the fine accomplishment of our members, and especially our graduates, but to accommodate all of the information received for this issue and, because of the large volume of Happenings received, and space limitations, we only publish Happenings of Y.M.H.A. members and their immediate families.
