The Y.M.H.A. Alumni Association Newsletter is an independent newsprint published quarterly for association members. Reproduction without permission is strictly prohibited. Third class bulk rate postage paid at Randolph, MA 02368.

EDITORS NOTE:

Articles published in our Newsletter are selected on the basis of their interest to the majority of our membership. Letters published are chosen in a similar manner, and may be printed in full or as excerpts as space allows. Letters reprinted in full are not always published in the same time frame received. This is due to the fact that we publish quarterly, and may be limited by prior commitments to the space available. Also, due to the large volume of correspondence received, it is not always possible to acknowledge each letter through our newsletter. We do read each and every letter received at our monthly board meetings, and we certainly appreciate your comments, suggestions, and personal thoughts.

Pictures sent to us are selected in the same manner, and whether or not we use them, they will be returned in the same condition we receive them.

HAPPENINGS POST CARDS

We have enclosed the Happenings Post Cards so that you can continue to send us your "Happenings". The Telephone Squad and post cards enable us to give all of our members an opportunity to participate in the Newsletter.

If you mailed us a Happenings Post Card, and the information does not appear, we have not neglected it. Each issue has a cut-off date, and your Happening may have arrived too late for this issue. Look for it in the next issue.

We reserve the right to reprint the Happenings Post Cards either in full or as excerpts as space allows.
